Through supporting the Hal Herman Children's Fund at Women In Distress, you help Hal and Lois Herman improve the lives of thousands of children every year.

From the elementary student who learns about her personal power and what healthy relationships look like, to the boy receiving ongoing intensive therapy after witnessing one parent shoot the other — and everything in between — the Hal Herman Children's Fund ensures that children are front and center in Women In Distress' mission to stop domestic violence and abuse for everyone!

"Hal and I have a special heart for children," says Women In Distress Trustee Lois Herman, "and we see every time we visit the campus of Women In Distress what great work they do with children. We're so committed to raising support for the Children's Fund that all of our friends and family know that there is no greater honor to us than for them to support the Children's Fund."

Helping save the lives of the smallest survivors of domestic violence

WOMEN IN DISTRESS
OF BROWARD COUNTY, INC.
JIM & JAN MORAN FAMILY CENTER

Change the lives of children and help keep families safe.

Even when children don't see domestic abuse, they usually know it's happening. When children see, hear and experience violence, it affects them in lifelong ways.

These children are more likely to exhibit behavioral issues and physical health problems, including depression, anxiety, and violence toward peers. **They need our help now.**

Help families live a life where love doesn't hurt.

Women In Distress innovative early Child Therapy Program is making an impact in reducing the effects of witnessing domestic violence and helping children break the cycle of abuse.

A gift to the **Hal Herman Children's Fund** will help Women In Distress continue their mission and give the smallest survivors of domestic violence the support they need most.

Every dollar raised helps provide critical support for children, including shelter, food, clothing, and therapy services.

Celebrate. Honor. Remember.

Recognize significant milestones in the lives of those you love with a unique gift.

Make your special memories even more meaningful with **recognition on the Celebration Wall at Women In Distress**. A tax-deductible gift of \$500 or more receives permanent recognition on the Celebration Wall along with an acknowledgement letter sent to the person you honored.
